

## Annex B

### ***VOLUNTEER INDEMNITY FORM***

This records the understanding of indemnity to be signed by Community Speedwatch volunteers before their participation or before handling any Constabulary equipment.

Community Speedwatch Team members are volunteers, and there is no remuneration of costs or expenses incurred in carrying out Community Speedwatch operations.

All monitoring equipment will remain the property of the Cambridgeshire Constabulary. Team members must take reasonable care of such equipment, in operational use or in transport or storage. When in storage, it must be kept in a secure condition and batteries kept in a fully charged state. Instruction books and paper records will be kept securely. Any loss of or damage to equipment should be reported as soon as possible to Cambridgeshire Constabulary.

There must be a minimum of three trained and Indemnity-signed Team members to conduct an operation and single-colour high-visibility tabards must be worn at all times by all the Team.

On site, having setup their monitoring equipment, the Team should then place themselves in a position of safety with the equipment in full view. If confronted, Team members should explain that they are acting with the knowledge and support of both the Cambridgeshire Constabulary and the Cambridgeshire and Peterborough Road Safety Partnership, in conducting a non-enforceable, traffic speed monitoring /education session. Team members **must not** get into confrontation.

Cambridgeshire Constabulary carries public liability insurance which covers SpeedWatch activities and volunteers who act within their formal training - and in accordance with the relevant risk assessment and Guidelines - will be indemnified in the event that a claim or legal proceedings are issued against them. The use of volunteers' private motor vehicles or other equipment in connection with operations is not covered under any Constabulary insurance policies or those of any agency within the Road Safety Partnership, and it is the responsibility of team members to ensure that they have motor insurance in place that covers this activity.

Personal safety is paramount. The SpeedWatch operation has been risk-assessed by Cambridgeshire Constabulary and is considered to be an acceptable activity in terms of health and safety. However, Community Speedwatch Team members have personal responsibility and must always act in a manner that will maintain a risk-averse and safe operation.

**By signing below the volunteer acknowledges and agrees that he/she has received a formal, initial H&S Briefing from a Police-approved trainer and understands the above conditions, requirements and advice.**
