

New Volunteers are needed to support the Speedwatch Scheme across the county. Cambridgeshire Police are seeking to recruit some more 'District Speedwatch Coordinators'. In this role you would work with and support the Forcewide Watch Coordination Officer. Successful volunteers will help continue to grow and manage the scheme. With over 140 schemes running and over 1300 members across the county, you will be responsible for managing your own area. The role is varied and key tasks will involve providing positive representation at Parish and local meetings, supporting and training new members, diary and equipment management, and visiting existing groups and offering support. The position would suit an already active Speed watch member but all applications will be considered. Interview date and times TBC. Please write to Mike Brooks at speedwatch@cambs.pnn.police.uk for more details or to register your interest, saying what you would be able to bring to the role.
